It was so great to meet you as well Alex. I have a pretty flexible schedule over the next few weeks. If you want to grab a cup of coffee in Boston that would be great. Let me know if you have any availability.

Hi, Lana.

As a follow-up to my voicemail, would you be able to forward meeting agenda and materials to me for tomorrow's NECOE meeting?

Good afternoon,

In preparation for the NECOE Meeting on Thursday I have asked the commissioners to provide you with a few topics to possibly touch upon. In addition, I had a request on sending out a CV or maybe verbally giving a brief background of your prior work with the region etc. Please see questions below and let me know if you need anything prior to the meeting Alex!

- I would appreciate hearing from Alex generally about her approach and priorities for the Region, as well as what impact she anticipates that the federal budget will have on the STAG grants and other EPA funds that generally flow to states.
- Any word from EPA HQ about whether changes are coming to Lead in Drinking Water Rules, and when?
- What will EPA be doing about PFAs inb 2018?
- What is the status of the SDWSS reporting program.
- EPA Pruitt priorities, and how she sees them touching down in NE – and where she may add priorities.
- How she envisions working with states
- Environmental Justice Agenda
- Resiliency Agenda
